This book was made by
Charles William Bean
who took most of
the pictures —

Mr Bean was Depot
Ticket Agent ~~of~~ for Re
San Pedro, L.A, + S.L. R.R.
I presume he passes for
this trip came as a
gift from John Sebastian,
Vice Pres. Rock Island —
a friend of Mrs Beans.

Our Vacation Trip of 1907.

"Hitting The Trail"

"Bosco" and "Mexico" did the
Work while we looked at
the Scenery.

"Riding The Trail"

"Bueno" and "Mexico" do the
Work while the Cowboy
the Secretary.

Mormon Temple at Salt Lake City

Forty years building. Cost

Four Million Dollars.

Only good Mormons may

enter here.

Mormon Tithing Yard
at Salt Lake City.

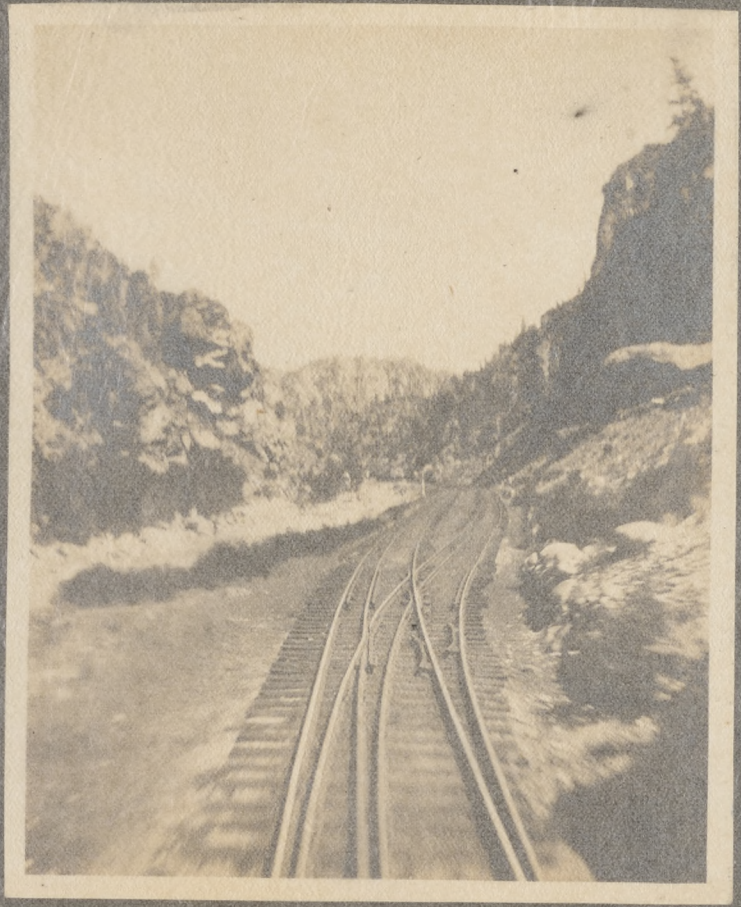
Formerly the Tithes were paid
in produce in this yard.

Entering Castle Gate Utah
on R.G. Western Ry West bound

Castle Gate, Utah. Looking
East. One "Castle" is 500
feet high and the other 450.

Tennessee Pass. where
D & R G main line crosses
the Rocky Mountains.
Elevation 10,200 feet.

Along the Arkansas River on D&RG RR. The water is very clear above Granite Station, but at that point the water from the placer mines is returned to the river.



Along the Arkansas River
from Pueblo to the Mouth
of every clear creek, prospect
Hillside, bar at high water
the Gold from the placers
miners as returned to the
diggings
